PROFILE SUMMARY

Motivated IT undergraduate specializing in Software Engineering, Full-Stack Web Development, and Software Quality Assurance (QA). Experienced in developing web applications using React.js, Node.js, PHP, MySQL, and Firebase. Strong foundation in object-oriented programming, database management, software testing, and UI/UX design using Figma. Seeking an internship opportunity to apply technical skills, improve software quality, and contribute to real-world software development projects.

EDUCATION

Higher National Diploma in Information Technology SLIATE Kurunegala 2024 – Present
Diploma in English Ceylon College of Applied Studies (CCAS) 2023
National Certificate, Computer Applications Assistant (NVQ Level 3) Athugalpura Village Development Association (AVDA) 2019
G.C.E. Advanced Level (Madeena National School) 2023

PROJECTS

New Arafa Pharmacy – Inventory & POS Management System
React.js, Node.js, Express.js, MySQL, Tailwind CSS

- Developed pharmacy management modules for medicine inventory, suppliers, purchase orders, and sales.
- Built a POS interface supporting tablet and strip sales, with backend logic for automatic stock deductions and sales history.
- Created separate administrator and staff dashboards, with JWT authentication and role-checking middleware.
- Implemented low-stock and expiry-alert modules, stock movement tracking, and inventory reports.
- Used MySQL transactions to coordinate sales records, inventory updates, and purchase-order receiving.

Travel Guide – Tourism Information Web Application
PHP, MySQL, HTML, CSS

- Developed a database-driven travel website displaying destinations, descriptions, and images.
- Built an admin dashboard and destination management modules for adding, editing, and deleting travel content.
- Implemented password verification, PHP sessions, image upload validation, and a contact form with database storage.
- Used PDO prepared statements for database operations and reusable page components.

TECHNICAL SKILLS

Programming Languages : Java, JavaScript, PHP, C#, Python
Web & Frameworks : React, HTML, CSS
Databases : MySQL, Firebase
Other Tools : Git, GitHub
Soft Skills : Problem Solving, Team Collaboration, Effective Communication, Time Management, Adaptability, Attention to Detail

LANGUAGES

English | Sinhala | Tamil
